MIKE CARDOZA

-Mike-

It's been real cool & hell knowing you
this year because of my money situation,
but still have made the best of it.
Just in case I'm not in Fresno for
the Summer I'll write you from
where ever I'm at. Save your money
and don't. Always the right at it and stay
up for a chance.
I know you like some of these MSpy girls here
at this school, but don't let them get
to you, the way to get to them is be
yourself and build your body and learn
how to play the trumpet for the band next
year. Were going to have a blast in these
next years, but one word of advice, don't
let michelle or melina get to you. I know
for a fact there only going to make friends
with you just so they can get back at me.
I will talk to you about them before school
starts so they won't use you or treat you like
shit. I'll be in contact with you as
much as I can this Summer, keep playing
sports And don't be stupid like me with drugs
& stuff. Stay the same and give me a call
Anytime day/night, see ya with the summers
your Friend [299-7351]
and Frans in case you forget it

P.S. WEIRDJACK!!

OTRA VEZ

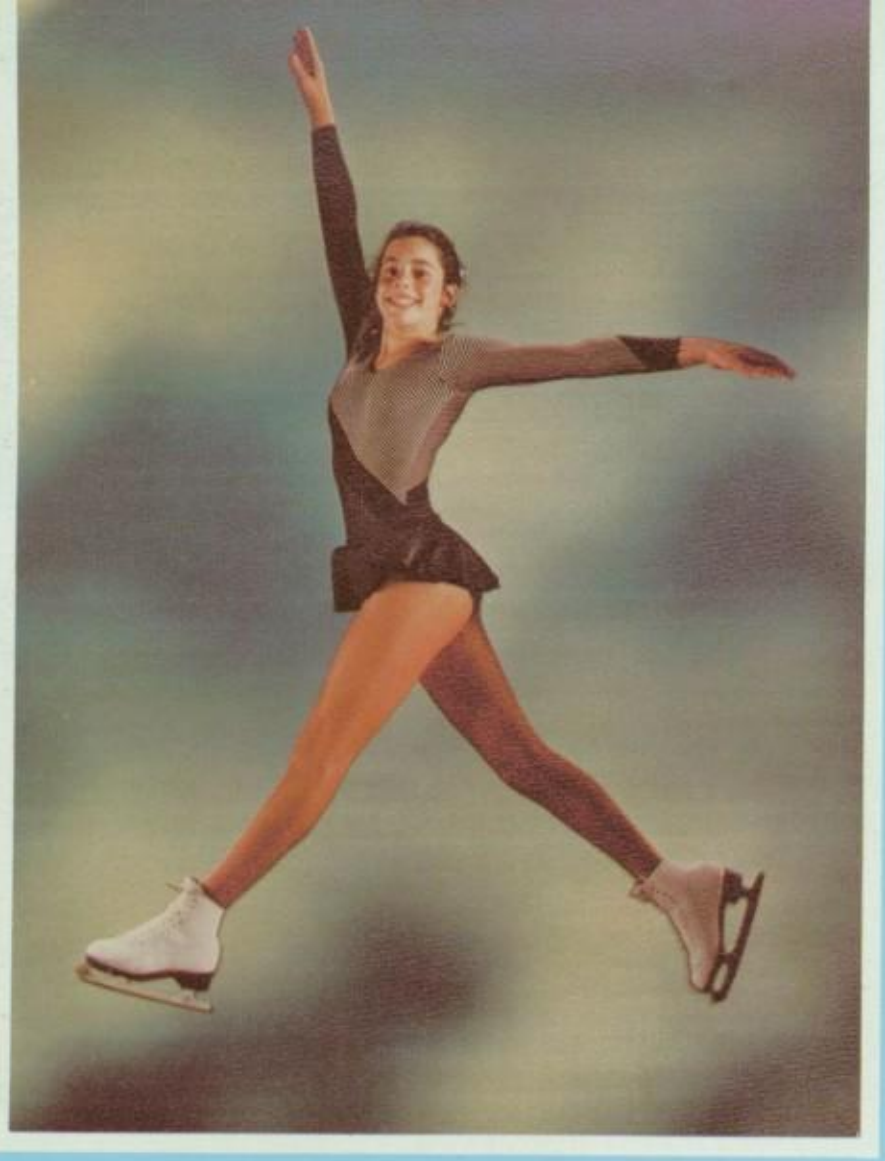
# *EAGLES SOAR TO NEW HEIGHTS*

Seven years ago Clovis West started as a new school. Since that time, the school has overcome many obstacles and continually moved forward. Clovis West soared to new heights and proved that it was the school to top. The Eagles made a big impression in academics, activities, and sports. Last year, after capturing five valley championship titles, the student body knew it had established a reputation to uphold. The Eagles could not be restrained from soaring to even greater heights in school activities and their personal endeavors. The Eagles featured in the following pages represent the students at Clovis West High School and show the many ways in which Clovis West students soar to new heights.

"One must set a goal for himself no matter what he is doing. And to achieve his goal, he must work hard at it. Becoming an accomplished banjoist was my goal, and I achieved that goal, through 8 years of hard work dedicated practicing, and motivation. Without these three key elements, I really don't think I could have become a professional banjo player." —ROBBIE FUNG



I've dedicated 9 years of my life to ice skating. I consider qualifying for the United States Nationals and passing my Gold Pair Test with my brother two of my greatest achievements. I hope to someday pass my Gold Figure and Gold Freestyle Tests which I am presently working on. This would qualify me for Olympic and International Competition. —BETH ROSENSTEIN

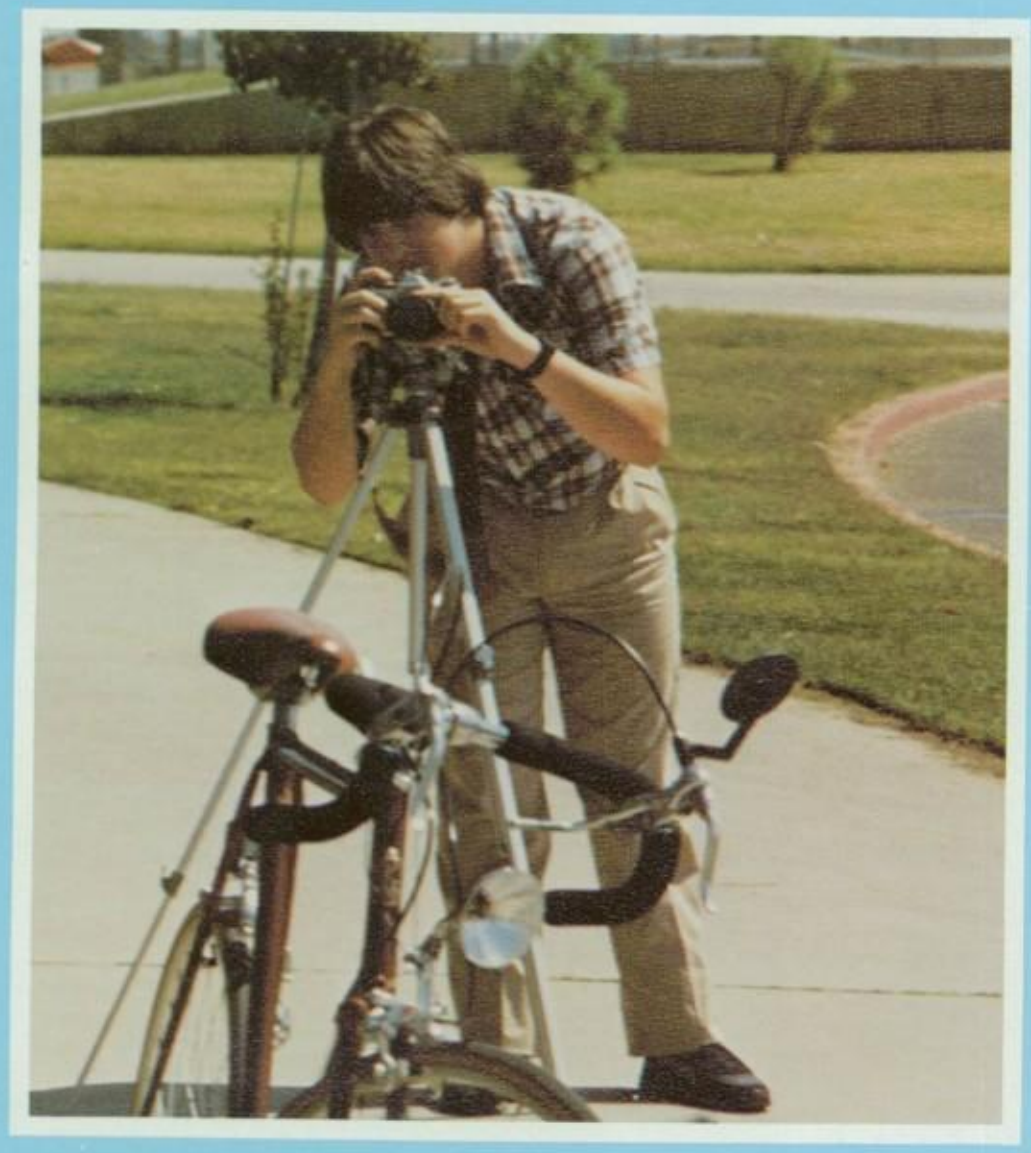
When it comes to programming, I just do it, really. See, my parents brought me up playing logical games, and so now I see everything with a logical eye. Habit, I guess. So when I program, I can see the logic behind the problem quickly. My special talent is, for me, easy, fun and pays well. I'd like to do research, or possibly program—anything with computers. —BILL WOODY

I have always loved the idea of being a dancer and would love to dance professionally someday. My big dream is to dance with the New York City Ballet. Right now I am with the Fresno Ballet Company, and I keep getting better roles, so I guess there's a chance for me. There are always bad days. But even on bad days, I find myself working hard because I want it to be right. So I'm going to give it all I've got. —LYDIA FORTNER

Perfecting a new skill makes me feel good. I like accomplishing something unusual or different from the normal school sports. This makes me feel more important to myself. I've been riding since I was thirteen, and I've set my sights on becoming eligible to ride the PRCA (Pro Rodeo Cowboy Association) Circuit in the future. —KEVIN WOODS



Beginning in the seventh grade, photography became one of my main interests when I took a class at Clovis West. I continued to take courses each year and reached a personal goal my junior year by achieving the top score of 5 in A.P. Art. After I finish this year's R.O.C.P. photo course, I plan to continue my education in college and hope to eventually work in the field of sport or glamour photography. —MIKE O'BRIEN

I got interested in drama when I was seven. Not until I was in seventh grade did I really get serious. Since then, I've done "Wizard of Oz," "Midsummer Night's Dream," and "Elephant Man." I don't know if I will go into acting professionally, but hopefully acting will be in my future. —NEDRA BIGGERS

A COOL DUDE THAT I MET IN P.E. DON'T KILL YOURSELF ON THAT 250. HAVE A GREAT SUMMER. SEE YOU NEXT YEAR

# *CLOVIS WEST'S "FIRST LADY"*

In Washington, D.C., Nancy Reagan provides an extra force in our nation's capitol. At our school we are fortunate to have our own version of silent and steady support in the form of Irene Gorham, Clovis West's First Lady.

For the past sixteen years, she has successfully combined her secretarial skills and a warm and caring personality to serve the students and faculties in Clovis Unified. Prior to becoming the Principal's secretary at Clovis West in 1976, Mrs. Gorham worked at both Dry Creek Elementary and Clark Intermediate.

Much of the optimism and cheerfulness she radiates while being in the center of activities at Clovis West is also found in her active participation at Hope Lutheran Church. She, in her busy life, finds much enjoyment in evenings at the Philharmonic, and in traveling. However, one only has to stop by her desk to see her greatest pleasure: her family, and especially her grandchildren!

The Olympiad staff would like to represent the students of Clovis West in showing our gratitude to Irene Gorham, our first lady, for her work behind the scenes and her friendly and concerned nature that creates a comfortable atmosphere where students and staff feel welcome. We believe the time has come to honor someone simply because she cares so much about our school and us. It's with this feeling that we dedicate the 1983 Olympiad to Mrs. Irene Gorham.

1

1. Mrs. Gorham is always ready with a smile and a helping hand. 2. Grandmother Gorham in her favorite role. 3. The grandchildren help celebrate her birthday. Mrs. Gorham is the mother of four children: Chuck, Mike, Robin, and Sarah. 4. Students know where to find help. 5. Sweet Sixteen!

"The Diary of Anne Frank" was CWHS's dramatic presentation in the fall. The play examines the life of a Jewish family, the Franks, during two years of hiding from the Nazis. Touching performances were given by senior Shawn Gadberry as Mr. Frank and Lisa Focarelli as Anne. Cast in supporting roles were: Bob Henderson and Lezlie Stoker as Mr. and Mrs. Van Daan, the family who moved in with the Franks, and Freshman John Thompson as their son Peter, a boy who learns about human compassion through Anne. Kim Ball and Nedra Biggers, sophomores, played Mrs. Frank and Anne's sister Margot. Juniors Tom McGinnis and Janet Haynish played Mr. Kraler and Miep, the Franks link to the outside and Mike Vergera plays the obnoxious dentist, Dussel, who also moves into the attic hiding place.

# *"Best Little High School in the Valley"*

Homecoming was a week full of expectations; Whose float would win first place? Which team would win the game? Whose head would be crowned? Leading up to the Homecoming game was a week full of fun and exciting events; dunk tank, teacher auctions and lunch-time food stands were just a few of the activities. October 15, 1982 answered all our questions: the seniors float took first place with the theme of "Best Little High School in the Valley," the Edison Tigers slightly tarnished our spirits with a winning score of 26-14, the crowned queen was Julie Sihto.

Accompaning Queen Julie were attendants Portia Vigilia and Jill Wiley. Junior attendant was Michelle Gaynor; Sophomore attendant was Terry Byrd; Freshman attendant was Sandy Goodall. In the floats division, awarded sweepstakes and the best class were the Sophomores; Mayo took first for clubs; Forensics zoomed by in the best car; Juniors captured the C.W. award. The weeks activities ended, but the memories will linger on.

Homecoming attendants share a tense moment on the stage; Portia Vigilia (Sr.), Jill Wiley (Sr.), Julie Sihto (Sr.), Dr. Oraze, Stacy Snow (1981 Queen), Michelle Gaynor (Jr.), Terry Byrd (Soph.), Sandy Goodall (Fresh.).

# *RIVALS CLASH*

Rivals clashed again during All Clovis Week 1982. Eagles, Cougars and the Clovis community shared a fun filled week. All Clovis Week is a time for joining the forces: faculty, parents, students and many others came together to enjoy the activities such as; the All Clovis Western Dress Barbeque where the people had a chow-down good time, the Two Mile Prediction Fun Run with awards and certificates and the "Scenes of Fashion" featuring the latest in fashion rages with an all-star troupe of models. Tennis and Golf tournaments were on the agenda along with the All Clovis Parade. The parade was cancelled due to rain, but even this failed to dampen our high spirits. The final showdown happened at Lamonica where our JV football team was victorious which helped to lessen our Varsity team's loss.

1. The Eagle balloon takes off for new heights. 2. Spirits rise as the flames get higher at the Bonfire Rally. 3. Our own CW blimp makes an appearance at the All Clovis Week rally.

# *WHEN MASCARA AND MUSCLE MEET*

Powderpuff 1982 began with the Freshmen and the Juniors lining up. Both teams played well and the outcome was Juniors 7, Freshmen 6. Game two paired Seniors against the Sophomores. The Sophomores controlled the game and stifled any Senior scoring attempt ending with a shut out 6-0. This year's powderpuff game once again proved girls know how to do more than just powder their noses.

The Band and Girls Ensemble held a concert that had people singing their favorite carols. Christmas Formal 1982 was a winter wonderland for those who attended. The Formal had Centercourt as its band and misty clouds of white smoke on the dance floor. Christmas at CW is always a special time.

# *EAGLES HONORED*

In life there are many different talents. The Awards Assembly recognized many of these, such as students that achieved academic excellence, awards from Forensics, Soccer and Mock Trial participants. As well as recognizing these outstanding achievements, entertainment was provided. Pett Rock, Blues Brothers, Jazz Band, Lettergirls, and a trumpet duet showed off their many talents to an appreciative crowd.

# *DINING AND DANCING M.A.Y.O. STYLE*

Enchiladas were on the menu for the Mayo Clubs' 3rd annual fund raiser held March 1st. The evening was a success thanks to Activity Director Mr. Lindsey, Club advisors Mr. Leal and Mrs. Gonzalas, President Duke Vargas, and all those who attended. The proceeds went to two deserving seniors as recipients of the Mayo Club scholarships. Entertainment was provided by Clovis High Marimba Band and Dancers, and our very own Mayo Dancers. They gave their first performance, adding the "dessert" to a great evening.

1. Becky Lopez demonstrates a Mexican cultural dance. 2. Las enchiladas son muy beuna! 3. Mayo dancers: Vivian Mena, Elida Almaguer, Jackie Cervantez, Carolina Ortencia, Anna Arias, Oralia Noriega, Theresa Little, and Becky Lopez show off their festive clothing.

# *A CAST OF THOUSANDS*

Our drama department put on the spring play "Music Man," which starred Jim McGinnis and Lezlee Stoker. McGinnis was Harold Hill, a flim-flam man traveling around making a living selling boys bands to small towns. Stoker played Marion, the librarian, who catches on that Harold Hill knows nothing about music or selling bands. Janet Hanish played Mrs. Paroo, the librarian's mother, Christine Derr was the Mayor's wife, and the "gabby" lady friends of the Mayor's wife were played by Kellie Comstock, Janice Gable, Cindi Esselstrom and Melodi Geist. The mens' quartet consisted of Ron Statler, George Dunham, Mike Beil and Damon Adcock. This was the first time that Clovis West, Kastner and red unit elementary schools were brought together in one big play.

1. J. McGinnis tries to sell the idea of a boys band to the town youngsters. 2. L. Stoker, the town librarian, adds to the towns celebration. 3. The mens quartet listen to the Mayor, played by Lee EdLund.

# *CLASS of*

# 83

"Up Where We Belong"-the Class of 1983's motto is truly fitting. The senior class has had many great accomplishments during their stay at Clovis West. As sophomores, they were the youngest class ever to win class competition. Their girls were the first class to win the Powder Puff Tournament before their Senior year. During their junior year, they sponsored Clovis West's first ever off-campus prom held at Tornino's-"A Night at the Dream Palace". "A White Christmas" was the theme of the senior-sponsored Winter Formal. These are nights many will remember for years to come. The class of '83 worked hard to purchase the senior gift-a new scoreboard for the baseball diamond. They were able to enjoy this gift for the 1983 baseball season! Among their many accomplishments were the Sweepstakes winning float constructed as juniors, and "Best Theme" float built as seniors. Also proud of efforts in collecting canned food for the needy, the seniors collected more cans than any other class. Following Grad Night at Disneyland and the Senior Picnic, commencement exercises on June 10, 1983 marked the end of the rewarding stay at Clovis West for the Class of 1983.

## *"Up Where We Belong"*

Who knows what tomorrow brings
In a world few hearts survive.
All I know is the way I feel.
When it's real, I keep it alive.

The road is long
There are mountains in our way
But we climb the stairs everyday.
Love lift us up where we belong
Where the eagles cry on a mountain high
Love lift us up where we belong
Up from the world below
Up where clear winds blow.

Some hang on to use-to-be
Live their lives looking behind.
All we have is here and now
All our lives out there to find.

The road is long
There are mountains in our way
But we climb the stairs everyday.
Love lift us up where we belong
Where the eagles cry on a mountain high
Love lift us up where we belong
Up from the world below
Up where clear winds blow

Time goes by
No time to cry
Lives you and I-alive
Baby

Love lift us up where we belong
Where the eagles cry on a mountain high
Love lift us up where we belong
Up from the world below
Up where clear winds blow.

# *CLASS OF 84 SWINGS INTO ACTION*

The Junior Class proved once again that they are the leaders when it comes to school spirit. They have won more rallies and poster competitions than any other class in Clovis West history.

The Prom and the Homecoming Dance were the largest tasks put to the Class of 84. They sold candy, had a car wash, auctioned lunches, and sold mistletoe to help raise money for these events.

The Class of 84 has had 3 great years, filled with many memories in a variety of areas. They expect the upcoming year to be their best ever!

# *THIS CLASS HAS CLOUT!*

The Freshmen class of '86 came on the scene with a powerful impact of enthusiasm, not to mention their size. This year's Freshmen class was the largest class ever to hit the Clovis West campus. Their teamwork and eagerness to excel became evident right from the start when they jumped into Homecoming with a creative float and a stupendous profit in the fall candy sale. This enormous, spirited class is optimistic and energetic as they prepare to set trends and traditions in the next three years!

1. Freshmen Class Officers: Lisa Folcarelli, V.P.; Brian Jones, Pres.; Jennifer Gibbons, Rep.; Kristine Kassabian, Tres. 2. Freshmen Class Cheer: Jodi Bennett, Mytra Falls, Jennifer Gibbons, Kim Mazzoni.

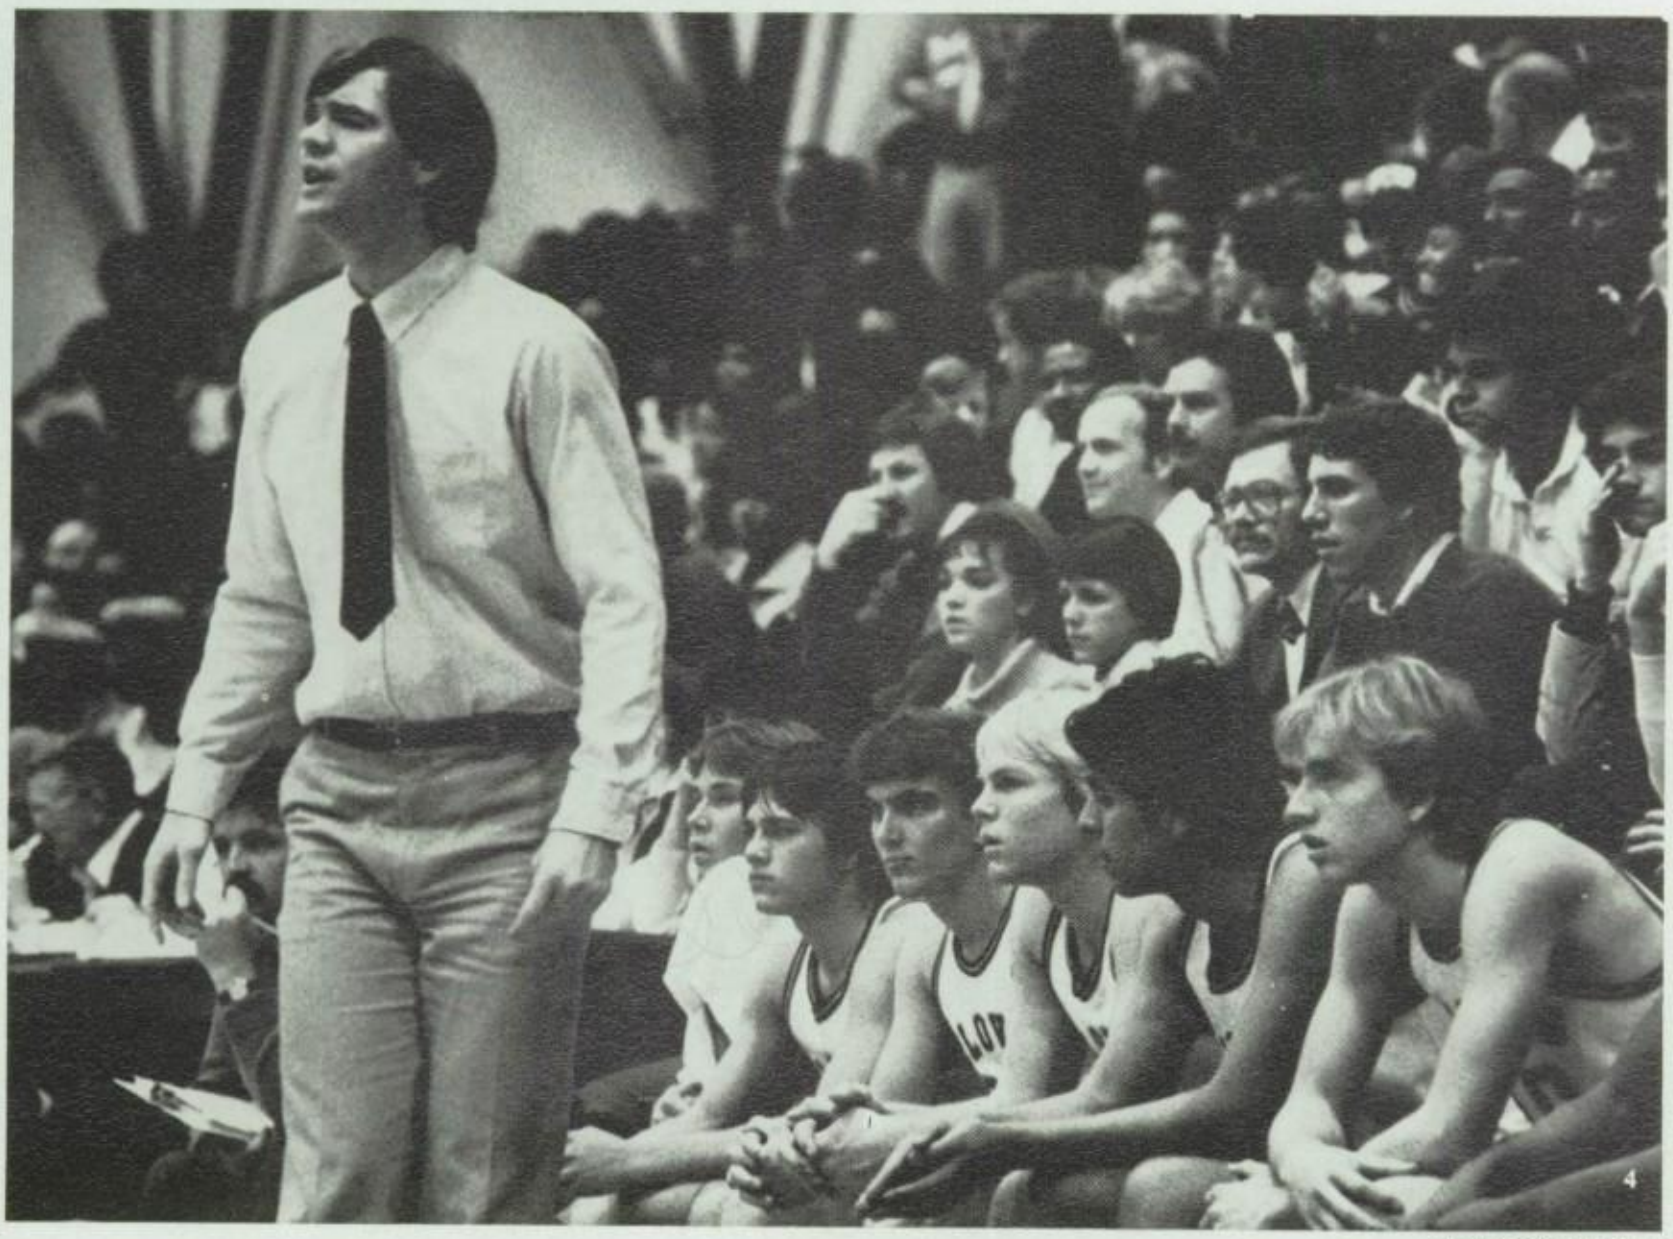
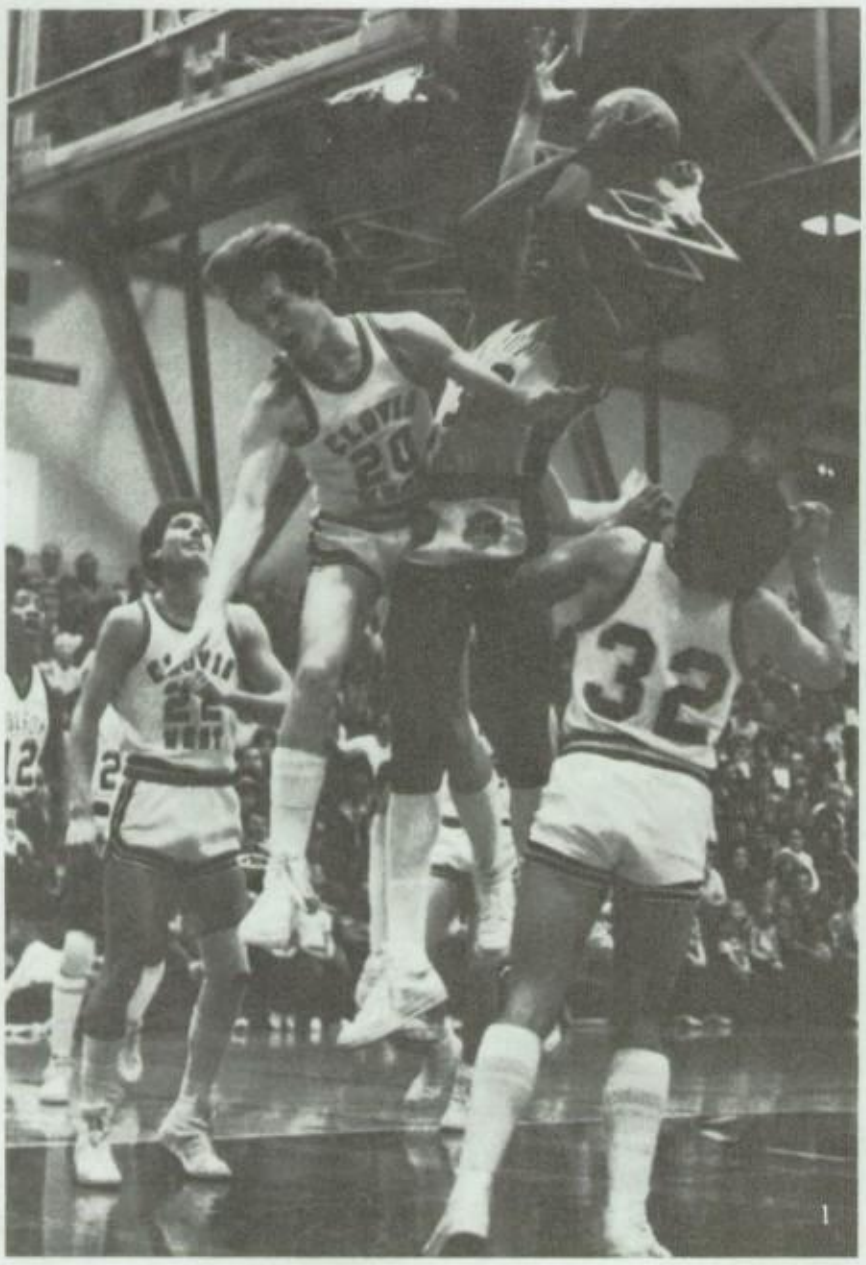
# *SHOOT FOR*

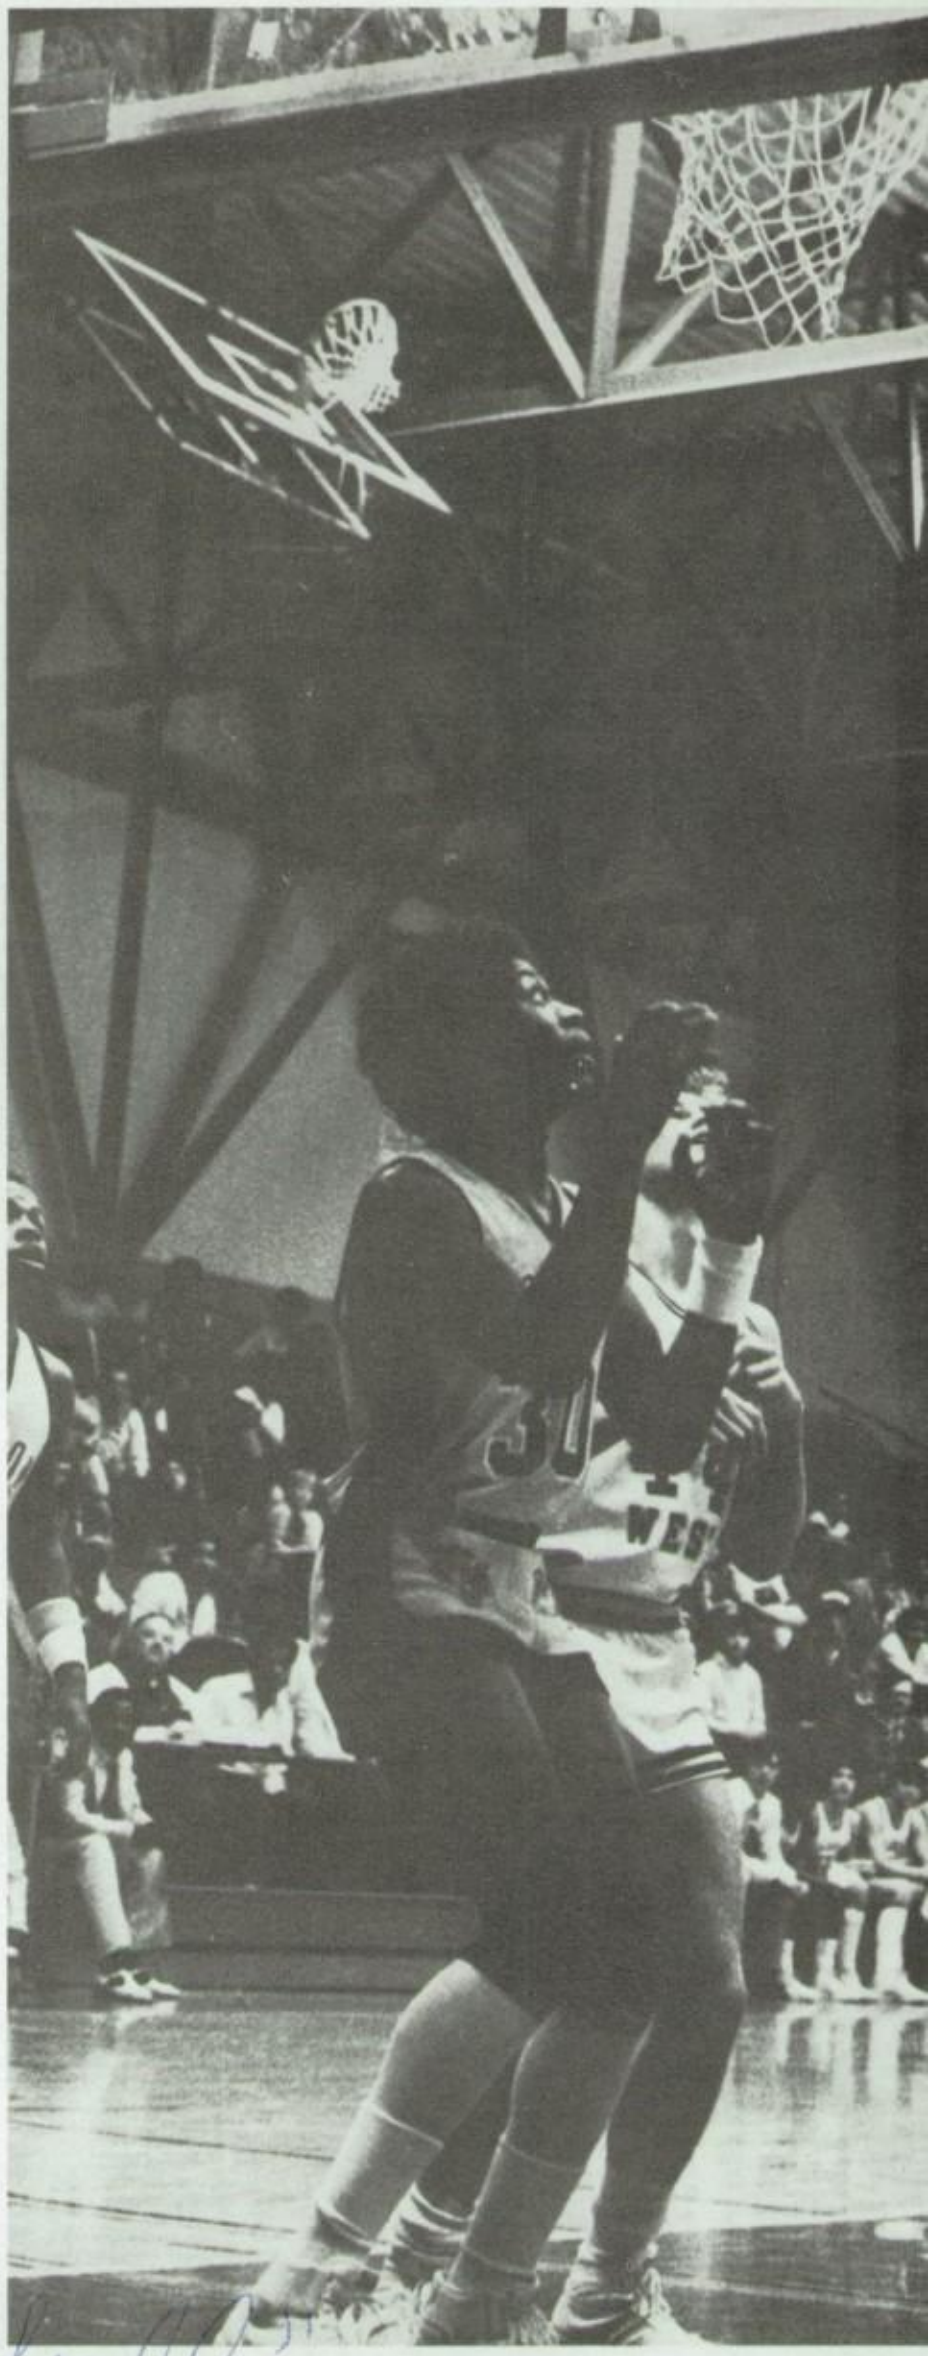
The Golden Eagle Basketball Team reached the Valley Playoffs for the third time in four years. The Eagles finished second in league behind first place Edison. Their overall record going into the playoffs was 18-8 and 11-5 in league. The Eagles started the year strong by playing in the finals of the 1st Annual Clovis Classic Basketball Tourney and taking 3rd place honors in the Holiday Invitational. Playing without a big man, the Eagles relied on excellent perimeter shooting, good team play, and intense defense.

The Golden Eagles finished league play very strong, winning their last four games by a margin of 20 points and capturing the NYL Tournament. This came after a mid-season losing streak which may have inspired the Eagles to their late season excellence.

Geoff Petersen led the Golden Eagles in scoring, averaging over 16 points and seemed to be the catalyst of the team. Don Harline and Paul Green averaged over 12 points and provided strong rebounding for the team. Newcomer Doug Gotcher, a sophomore, played the point guard and led the team in assists. Todd Bauer, Darren Patton, and Mike Green all played important roles in the Golden Eagle Success!







1. D. Gotcher blocks an attempt by Edison. 2. P. Green jumps for two! 3. CW fans show their spirit by making a human tunnel.

Mike,
It's cool meeting you. I hope to see you in the summer so that We can see who's Best in "Basketball."

This year's Varsity Wrestling Team showed Eagle dominance by soaring away with the NYL Championship Title for the third year in a row and the Valley Championship Title. The Golden Eagle Wrestlers achieved this by winning the Bakersfield Quad (for the 3rd consecutive year), the California Invitational Meet (for the 2nd consecutive year), the Clovis Invitational Meet, and the Five County Tournament. Leading the team were seniors Barry Estes, Todd Young, Allen Richburg, Brad Zimmer, and Eric Campbell. With a record of 17-0 in dual meets, the Clovis West Wrestlers extended their record to 52 consecutive dual meet victories. # *DEFENSE IS THE KEY*

The success of the JV team was due to team defense and hitting. Coach Engstrom's team was very young with five freshmen on the team, but as the season progressed they gained much experience. The talent displayed by our Frosh team will be an asset when these boys move up to JV and Varsity in the years to come.

The 1983 edition of Golden Eagle Softball, like past times, was playoff bound. As expected, the team was extremely competitive and highly spirited. They were led by seniors Jill Rolen, Meche Flores, Karen Tartaglea and Monica Wheeler. Loaded with talented, hard-working freshmen and sophomores, the future looks bright.

Fifteen girls, from Kastner's undefeated team, turned out in February for Girls Softball. After three girls moved up to the varsity, the team responded to the challenge under the leadership of J. Rohrer, B. Watterud, and L. Hooper. The team played very competitive in the nine team league.

# *EVERY STROKE COUNTS*

The Clovis West Golf Team entered the season as the defending Valley Champions, and 1983 proved to be yet another outstanding season for the Golden Eagles. Four of the top golfers graduated in 1982 but Coach Steve Cleveland relied heavily upon three returning lettermen. They were Kevin Dieker(Soph.), Shawn Grogan(Jr.) and Senior Scott Middaugh. All three made significant contributions to an extremely successful year. Another bright spot for Clovis West has been the emergence of sophmore Joan Pitcock. As a freshman, Joan was runner-up in the California State Girls Championship in 1982. Joan is the first young lady to compete on a Clovis West Golf Team and played a major role in the team's success. Jon Cain, Bill Brandon, Chuck Witrad, and Jeff Wilderson also had varisty experience and contributed to a well rounded team.

# *FOOTLOOSE AND FANCY FREE*

"Youth" best described the 1983 track team. With over 100 young men and women participating, only 20 were upper classmen. What the team lacked in experience, it surely maked up for in dedication and willingness to work. Although the team was young, there was some exceptional athletic talent. The boys' team was led by Doug Fraley, the California state record holder in the indoor vault. Also leading the team was Barry Estes who was a State Meet qualifier the preceeding year. Leading the girls' team were hurdler Debbie Budwig and distance ace Tiffany Shaw. With victory a goal, the team went on its way in leaps and bounds. Strong leadership inspired all members to continually improve throughout the season.

Other athletes that contributed greatly to our teams success Rhonda Williams, Mary Lawanson, Tammy Gibson, Michelle Williams, Jeryl Burks, Mia Thompson, Marcy Yeatts, Steve Sweet, Jeff Pierro, George Ellis, George Smith, Eric Allison, and Ken VonEssen.

# *SMASHING SINGLES*

The 1983 season was a year of success and growth for the Girls Varsity Tennis Team. Relying on the leadership of seniors Stephanie Cloutier (1982 Valley Doubles Champion), Vivian Depry, and Donna Check the team continued its winning ways. Junior Kami Peden (1982 Valley Doubles Champion) proved to be a force in singles along with freshmen Karissa Peden and Kerry Kendrick. Juniors Joanne Lembert and Michele McGowan added the necessary experience in both singles and doubles to keep the Eagles in the top. Virginia transfer Linda Larsen and freshman Stacey Moore stepped in and strengthened the doubles combinations. The Eagles practiced and conditioned hard, and as a result performed well.

# *DASHING DOUBLES*

After losing only one player from last year's Valley Championship team, the boys' varsity tennis team had a strong start. Facing top competitors Clovis High, Bullard and Madera, were Seniors: Greg Moser, Billy Schulz and Don Harline; and Juniors Monte Moser, Stuart Johnson, Robbie Fung, and Tom Walker. The swinging Eagles had excellent depth which helped them reach for their goals of winning the NYL as well as reclaiming the Valley Championship!

# *WATER, WATER EVERYWHERE!*

Team dedication and personal sacrifice characterized the 1983 Aquatics Team. Setting their sights on a league title, the Golden Eagle Aquatics Team had their work cut out for them. Leading the swim team were Robert Savala(senior), Bennett Indart(soph.), and R.C. Wright(soph.). Although the team was made of mostly underclassmen, the strength of the team was not affected. With each meet, the team matured and gained experience. Tough competition was seen in Hoover and Clovis High, but the Eagles met it with true excellence. Having a forte in depth and speed helped the Eagles in all their accomplishments. In addition to our hot swimmers, aquatics fans also enjoyed watching the CW Divers in their display of flashy dives.

# *DIG IT UP PUT IT AWAY!*

This year's Boys Volleyball Team is the strongest team in the history of Clovis West. With returning seniors Bill Redelfs, Tim Anderson, and Tom Binford the nucleus of the team is not the only experienced but top in the league. The additions of freshmen James Davis, junior Curt Cox, and senior Chris Aranas more than filled the vacated spots in the starting line-up. # CLUBS AND ORGANIZATIONS

# *C.W. POLITICS*

With an exploding burst of enthusiasm, the CW Student Leaders began the year. They devoted much of their summer time to leadership camps and planning many of our school activities. The Sonora Leadership Camp, combined with Clovis High and organized by Interschool Council, was the mark of the ending of summer and the beginning of the 1982-83 school year. Again Human Relations Day was on the Student Council agenda. And the big "Scenes of Fashion" fashion show was one of the many activities Interschool Council planned. The House of Reps was concerned with student issues.

Once again Mr. Blackburn has done an outstanding job with the CW choir. Drilled, instructed, and then drilled again every member learned more than just the scales. # HORNS UP!!

"Horns up" signaled both the music to start and the beginning of a new era for the CW Golden Eagle Marching Band. The band has a new director, a new style, and direction. "Pride" is their motto. The band recieved many trophies and awards this year and their biggest honor was that they were selected to perform at the "Holiday Bowl" Game in San Diego. Their outstanding performance before 60,000 fans warranted the Holiday Bowl Committee to present a beautiful plaque acknowledging their great performance.

Besides the marching band there are various other bands in which our talented group performs. The concert band is made up of all the musicians in the marching band. It is a group formed primarily for the students education in music theory, literature, and performance.

The C.W. Jazz Band is made up of a group of exceptional musicians who must audition for their chair. They rehearse everyday during 5th period. Their educational opportunities include jazz theory, jazz history and jazz literature. The jazz band has won many awards in and out of the state of California as well as obtaining awards for individual members. Many players go on to play in jazz bands for major colleges in California.

The C.W. Wind Ensemble is a select group of students who auditioned for their chairs or position. The wind Ensemble performs in concerts and competions throughout California.

From a Superior trophy at camp to an outstanding performance at the Pep Classic, the Clovis West Lettergirls have had a great year. Besides entertaining the crowds at rallies and basketball games, they have carried the name of Clovis West with pride through parades and halftime shows, winning trophies along the way. But, besides winning trophies and striving for excellence, the lettergirls have had one main goal - to accomplish their very best for their team, and themselves - and have lots of fun doing it!

For the 1st time, CW had 2 drum majors. "They compliment each other very will; Brian Mimura (Assistant) is the ultimate musician and intellect and Richard Delgado (Head Drum Major) is colorful, flashy, and has a style of his own," commented Mr. Guter.

Taking several superior ribbons and an excellent trophy at camp this summer, the CW Rifle Team started the 1982-83 school year with a bang! The team worked hard during the year perfecting their routines to perform at football games, rallies, basketball games, and several field competitions. The Rifle team had an excellent year ending it with an outstanding performance at the Clovis Pep Classic.

The Clovis West Flag Team has enjoyed a very successful and rewarding year. The team traveled with the band to many competitons during the fall. The flag team has received various awards and trophies through the year.

# *SPIRIT'S HIGH!*

Our Pep Squads and Mascot for 1982-83 have been very successful in promoting the best SPIRIT in the San Joaquin Valley. The year began with the squads attending a NCA/CADA Cheer Camp this summer at U.C. Santa Barbara where nearly 450 cheerleaders were in attendance. The girls, Freshman, J.V., Varsity Pep, and Cheer, each brought home the Spirit Stick for their superior spirit while at camp. The Cheer Squads were awarded the most coveted award "The Megaphone Award", which is voted upon by fellow camp members and awarded to the school having the most SPIRIT! The Pep Squads won the "Best Home routine" award and also brought home the "Sweepstakes" award. The J.V. cheer squad were awarded the highest honor, in receiving the "Award of Excellence.

As one can see, our Super Eagle, Pep and Cheer squads took home virtually every award this summer! Not only have the squads been kept busy with cheer workshops, but they've also served as Clovis West's official school hosts. A highlight this year was accompanying Wilson Riles during his visit here. Other activities this year included decorating all sports banquets, Wednesday's practices, and poster painting days, the big Clovis Pep Classic in January; and let's not forget to mention slumber parties, ice cream parties, and pizza parties at Miss Duke's. Yes, it was a memorable 1982-83 school year for the CLOVIS WEST SPIRIT SQUADS.

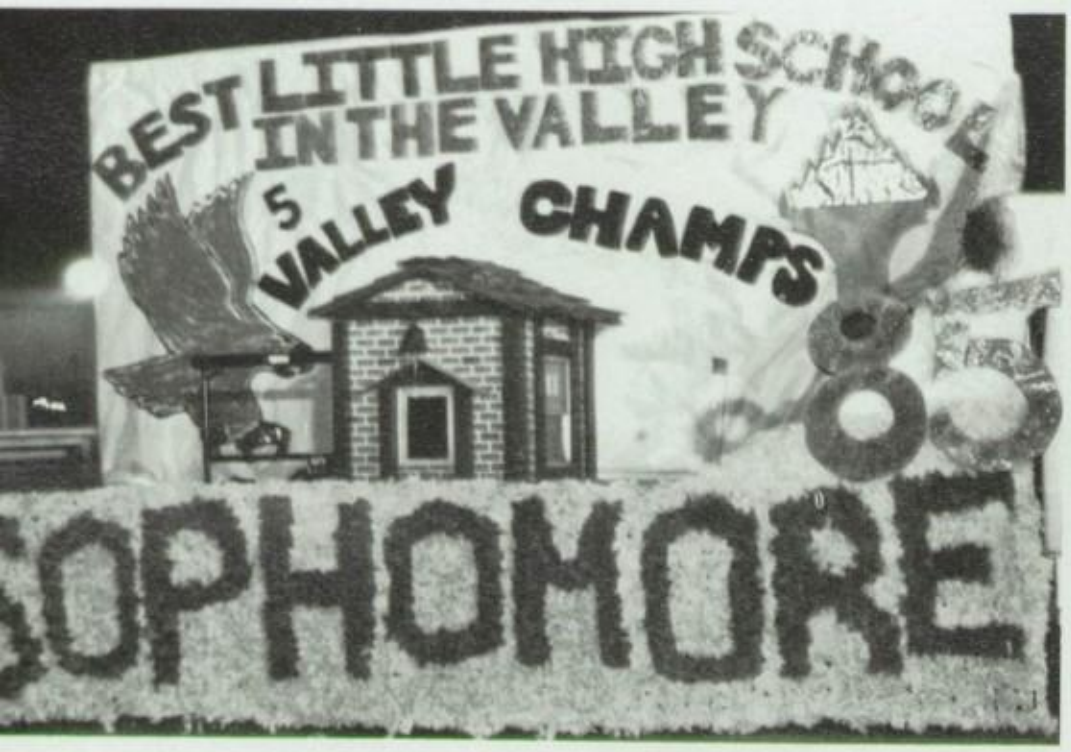
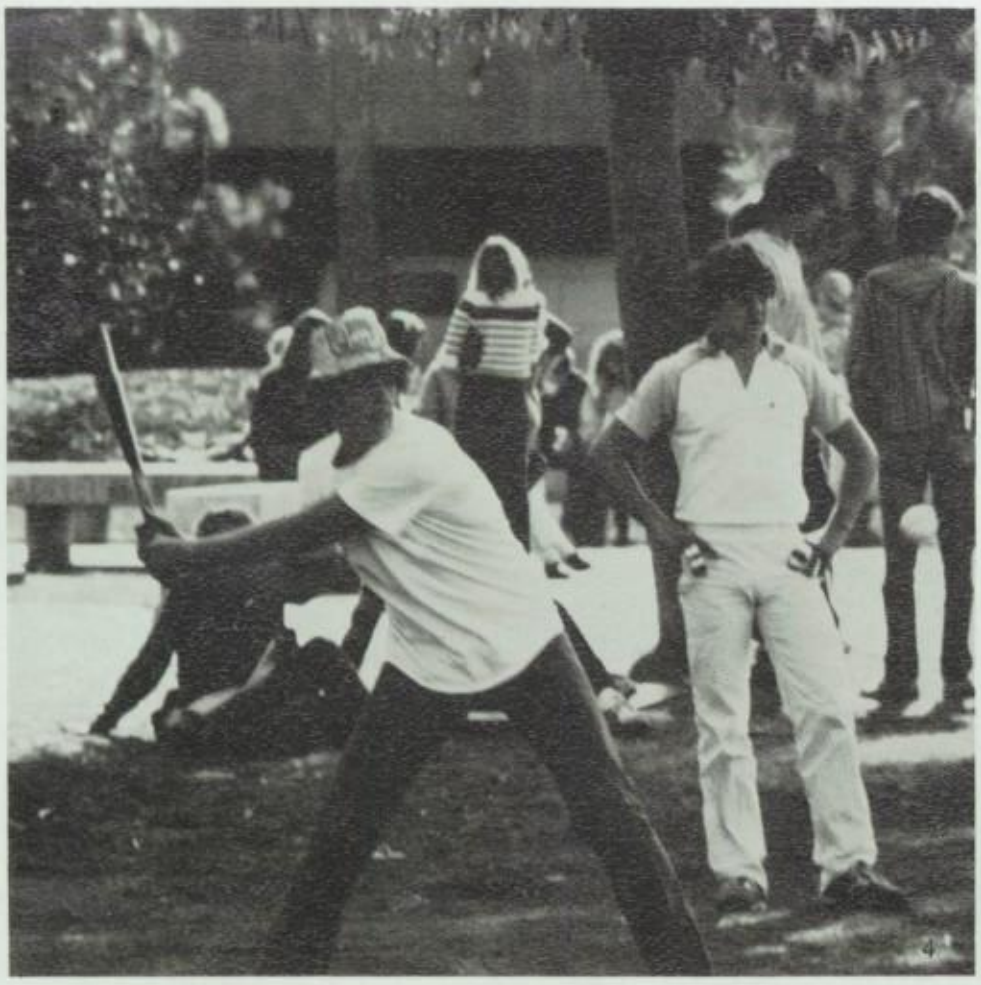
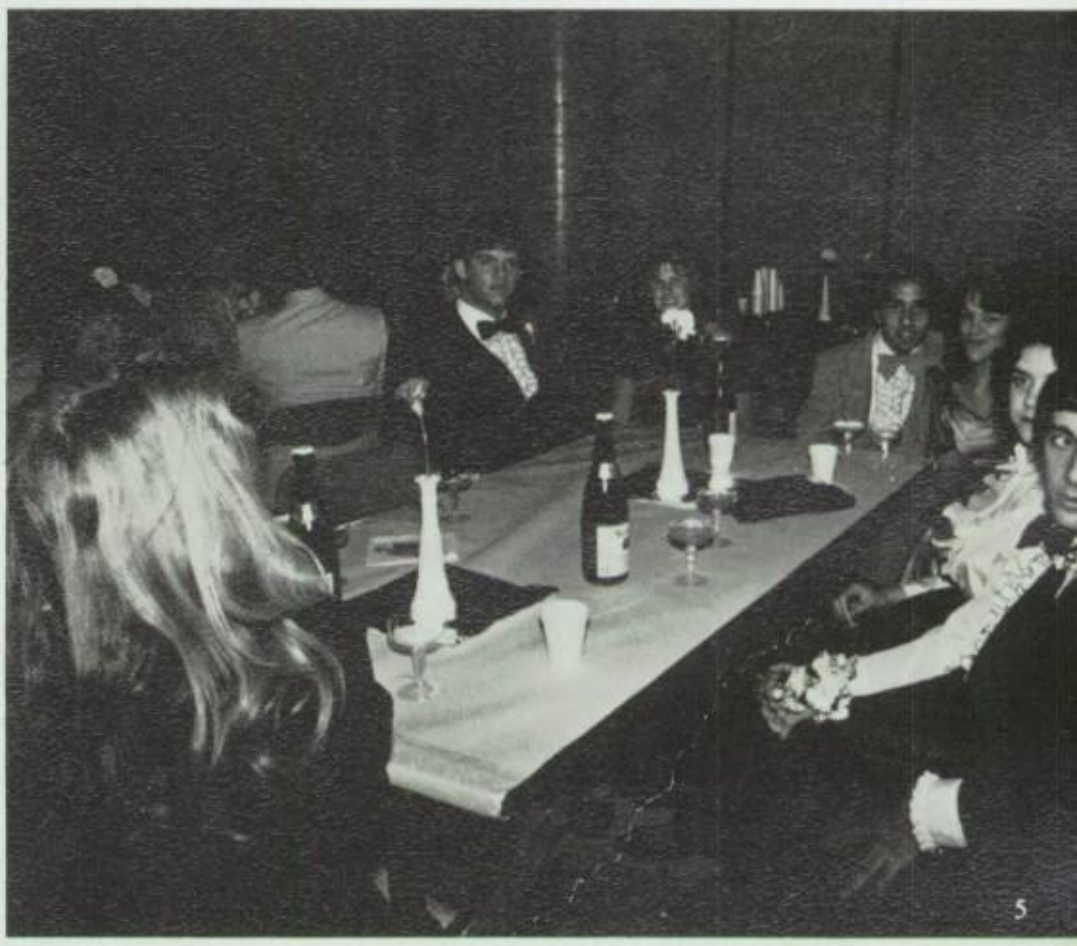
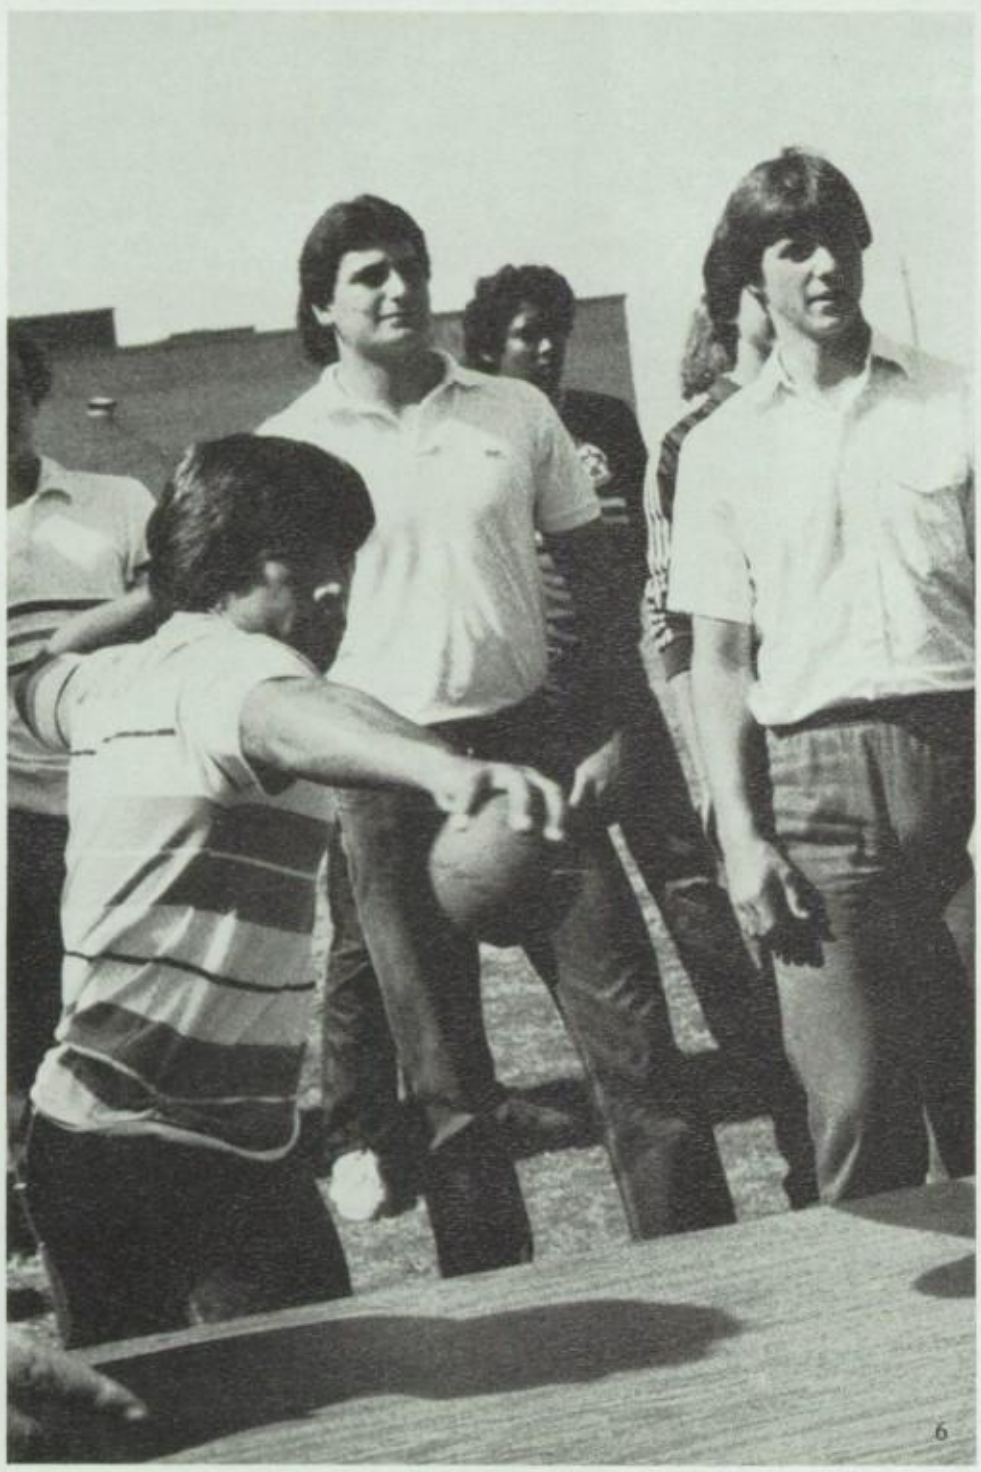
# *WHAT'S THE WORD?*

"Involvement" is THE word at Clovis West.
Students enjoy participating in all kinds of extra-curricular activites. Whether building floats, participating in intramurals, attending the formal, or deciding on that "perfect" class ring, CW students seem to enjoy the many opportunities to get involved.









1. The winning class float - The Sophomores. 2. Memories can be bought - in a class ring. 3. The Best Little Class - The Juniors? 4. D. Hunter participates in an intramural baseball game during his lunch hour. 5. The Winter Formal - A Night to remember. 6. Todd Barnes winds up for the pitch while "The Hand," J. Clark, M. Chiljian, and G. Harris watch on.

# *IT'S A SMALL WORLD*

They come from near and far, because the International Club is one of the hottest clubs on campus. Mrs. Weins' "I" Club has been busy with fund raisers such as M&M sales. Its members brave the cold and dark at 6:30 a.m. for meetings and donut feasts.

1. Adding a little continental flair to our campus are the Foreign Exchange Students: Akiko Somura (Japan), Masahiro Michigami (Japan), Simon Lightbody (Australia), Petra Rittenstad (Sweden), Elina Hirviniemi (Finland), Ursula Lux (West Germany). 2. # *RARIN' TO GO*

One of the newest clubs on campus, the Bike Club, is made up of enthusiastic pedlers. Not your usual biking group, they take long distance excursions. They must enjoy the tremendous effort they put forth, becasue they keep going for the gusto!

The high standard of Block CW members aids in promoting school spirit and servicing the school as a service organization. Membership is limited to varsity letter award winners. Members involve themselves in such activities as Homecoming, Powder Puff Football, Sadie Hawkins and All Clovis Week. Scholarships are available to two or three deserving members.

With an extra boost of membership, CSF was off to a great start. The year was full of exciting activities such as Homecoming, candy sales, and End-of-the-Year Banquet, and several visits to UC Universities. Honors are given to outstanding members. These include scholarships and the wearing of gold cords by life members of graduation.

# *TORCH SETS 'EM ON FIRE*

Clovis West's very own literary magazine, CW Torch, has had a very productive year. Poems, short stores, art work, and the cover were all fine examples of the talented CW student body. Contests were held for the best student submissions. Staff members worked long and hard, and countless hours were spent perfecting our annual publication.

# *HOT OFF THE PRESS*

The West Press is the revived Clovis West newspaper. Dedicated to serving the student body, the staff of the West Press strives to cover all aspects of student life thoroughly, fairly, and professionally. Through formal instruction and practical experience, members of the staff learn jounalistic and headline writing, layout, paste-up, business management and responsibility. This year, the West Press published 12 light-page papers and covered events like Homecoming, All Clovis Week, "The Diary of Anne Frank," the Christmas Formal, and the Senior Prom. One of the best ways to be involved in school life and abreast of the activities is to be a part of the West Press staff.

# *IT'S 8:45 AND . . .*

It's time for "CW Today". Time for thirteen industrious students and one nervous instructor to perform, direct, and produce the "CW Today" show. In a studio in part designed by students, with equipment manned by students, and using scripts written by students, the mild mannered members of the "CW Today" crew waded through yards of video tape and frayed wires in an effort to find and visually present material of interest and importance to the students of Clovis West. Always informative, often entertaining, was it just another news show? No! The best at West.

# *MIND OVER MATTER*

Reaching higher than ever these three clubs are fine examples of our CW academic accomplishments. In this space age, our Computer Club reaches for the future. Computers are being used more and more in our everyday lives, and this club is not letting anything pass them by.

Grade point average, scholarships, and a knack for math, engineering, and science are all concerns of the MESA applicants. Field trips and science fairs aid their academic climb to success.

Pythagoras had no idea of the great importance his theorem would be to the CW Math Club. This club is designed especially for students who enjoy working with theorems and equations. Math competitions and tournaments are all part of this club's curriculum.

# *"THE GENERAL STORE"*

Operations of the student store were executed and overseen by the DECA Club. The DECA Club is made up of members of the Distributive Education classes at Clovis West. They started the year off by changing their name from FBLA to DECA and revising their whole program. They also changed the location of the student store. The new location was the "hot spot" of Eagle fashion-where class jerseys, sweats, shorts, tee-shirts, and all manner of school supplies were sold. This year alone, sales were above $12,000 before Christmas. DECA also sponsored other fund raisers such as the Valentine Rose sales and the ever-popular donut sales, all of which helped pay for the club field trips.

1. DECA CLUB: T. Arcelus, R. Clark, R. Jeffress, R. McKinney, A. Turner, L. Bates, R. Williams, R. Woodward, A. Self, D. Avila, S. Stump, J. Rohrer, J. Caln, E. Coldren, E. Cooper, S. Cummings, B. # ROLL EM'

Lights, camera, action! Theatre West is a club on the go. They have participated in many activities this year. "The Diary of Anne Frank", and "The Music Man" were both great successes. The Annual January Conference was hosted this year by Clovis West. Due to this, Theatre West was able to take part in the competition. Later this summer Theatre West is planning a trip to Ashland, Oregon for a week to attend the Ashland Shakespearean Festival.

# *"MIND MECHANICS"*

Our Academic Decathalon Team performed up to the high CW standard. The team finished third in Fresno County. We were honored with fourteen individual awards, seven individual first place awards and a first in the Alternate Division.

Not enough people on campus know or understand what the VICA Club is. The Vocational Industrial Club of America, Clovis West Chapter, is a very active club for students interested in automotive, drafting, woodwork, etc. Always very busy, VICA spent much of their time building and entering floats for homecoming events and were involved in many Sadie Hawkins Day events. Not only were they involved in school activities, but VICA also found time to enter a car in the demolition derby sponsored by the Madera Speedway. Sound interesting? It is!

# *CATCH THE FEVER!*

Bass has it. MAYO has it. Physics has it. But, what is it? It's Club Spirit! Bass in its third year as a club is bigger than ever. The twenty members, sponsored by Mr. Garabedian, learned tournament style fishing and then tested their skills at nearby lakes. Tournaments were held, and prizes were awarded accordingly. Members shared techniques, conversation, and good company. Reel 'em in!

More than just a club . . . it's an adventure. CW's MAYO club, as always, was very involved in student activities. The Mexican American Youth Organization once again favored us with their 'pan' sales and burrito booths. They say strength is in numbers, and MAYO can attest to that. It seems that every one of its many members was involved in one way or another, and a feeling of unity was shared by all.

Lasers and magnetic levitators are just part of the Physics Club's activities. Other such activities include a stadium clean-up, a Laser Show presentation and an open house, all of which were very successful. They also took a fun-filled field trip to San Francisco to see the Exploratorium and a laser show. This club is made up of students dedicated to the science of Physics and yet not solely limited to those currently enrolled in a Physics class.

# *BUSY BODIES*

How do you describe the Forensics Team in one word? BUSY! The team set 2 major goals for the year-winning first place sweepstakes and winning valley championship. All-state qualifiers will travel to Kansas City this year. Clovis West is proud to be represented at both of these. Our Forensics Team has won more first place trophys than any other team in the valley.

G.A.T.E. members are indeed gifted and talented. The main activity of the year for the club was, of course, the blood drive. This year's blood drive was one of the biggest in Fresno and the biggest in Clovis West's history.

The Gottschalk's Hi-Debs are a group of tenth through twelfth grade girls who have been chosen to represent Gottschalk's and their high school. A Hi-Debs' duties include fun things such as car washes and mannequin modeling.

# *REAL PEOPLE*

Memories of friends, the old hang-out, and high school years dim and may be soon forgotten. The four years spent at Clovis West were good, bad, sad, and funny all at the same time. When we look back years from now, we will only remember the good. This year's OLYMPIAD captures those memories. Not only has The Staff preserved school memories, but we've preserved a few of our own. "Bigger than ever," the yearbook staff has had more than one funny mishap. Crayons broke, deadlines came too fast, ads needed to be sold, and time spent looking for that "perfect" caption are all part of what this yearbook means to us. Braver than Larry, Curly, or even Moe, our fearless leaders The Duke and The Di, stood through thick and thin and rain and snow and ice without questioning our integrity—is that anyway to treat your yearbook staff? But we've loved it!! Just as much as Beisbol, because . . . Yearbook has been berry, berry good to us!!"

# *AS THE WORLD TURNS . . .*

## *LET THERE BE PEACE . . .*

1982 saw very few actual battles, but the bloodiest of all was the to-the-death showdown between Israel and the Palestine Liberation Organization at Lebanon, where many people were killed by bombs and artillary fire. The beaten Palestine Liberation Organization withdrew from the Israel capital to seek a new base in the Arab world, but a vengeful massacre of Palestines by Lebanese Christian Phalangists cast a dark shadow over Israel's military triumph and moral claims. Also called to arms, Great Britian fought an improbable war to retake the Falkland Islands. After 74 days of fighting, 250 Britons and 712 Argentines were killed, plus several ships were sunk. On the home front, the threat of nuclear warfare hung over our country. There are many problems concerning atomic energy, which are threating to scuddle a once promising industry. The U.S. is in for a troublesome future, as evidenced by world wide demonstrations protesting nuclear arms.

## *IN THE WORLD OF POLITICS . . .*

Politically there was a changing of the guard in the leader of the eastern powers. The U.S.S.R. lost their prestigeous leader, Leonid Brezhnew, who for over 18 years had tried to keep relative peace and stabil-

ity in their country. The world waits to see what direction successor, Andropov, will take. Elsewhere in the world, the Polish people were relieved when imprisoned Solidarity leader Lech Walesa was released. On a lighter note, Prince Charles of Wales, and his Princess, Diana, captured the hearts of the world with the arrival of their son, Prince William. The Queen of England also made headlines with her March trip to California. In the U.S., President Ronald Reagan had his hands full balancing the budget, coping with record breaking deficit spending, and handling the controversy over the MX missile. Local politics found George Deukmejian elected as California's 35th governor, bringing a special pride to our state's Armenian population. His main goal was to restore the state's financial condition, and he made a campaign promise not to raise taxes. The question most Californians were asking themselves early in 1983, was "will we get money for tax returns or IOU's from the state?"

## *THE ECONOMY CRUNCH . . .*

Foreign competition, a strong dollar, unemployment and high interest rates combined to give the U.S. its worst series of economic setbacks in four decades. Foreign trade declined, forcing the value of crops down. Job growth decreased and continued layoffs pushed unemployment rates to a postwar high of 12%. Not only were the fields of construction and heavy manufacturing hurt, but also high technology and service industries suffered. Interest rates were highest ever, and continued to increase. Surprisingly, among all these depressing statistics, was a happy note. Gas prices took an unexpected plunge after peaking at approximately $1.50 per gallon.

## *FALLING STARS . . .*

Monaco's Princess Grace, the Oscar winning American actress who gave up acting for a dashing prince died from injuries she suffered after her car plunged off of a treacherous mountain road. Word of her death shocked the multitudes of people, and

stunned movie fans who never stopped loving her even after she left them. Other notible Americans who passed away this year were: actors John Belushi, Ingrid Bergman, the much admired Henry Fonda; singer Karen Carpenter; and one of the finest football coaches ever, Alabama's "Bear" Bryant.

## *PAC MAN AND BEYOND . . .*

The Computer, the ultimate symbol of today's advanced technology, became TIME MAGAZINE'S Man of the Year. Computerized games invaded our homes with such charactors as Pac Man and Donkey Kong, causing parents much concern. Problems ranged from spending too much time and money, to contracting "video thumb." On a more serious note, Barney Clark, a dying man, was rushed to surgery to become the recipient of the world's first artificial heart. The surgery took place in the University of Utah medical center and was performed by Dr. William DeVries. The heart, a plastic Jarvik-7, was driven by compressed air. Mr. Clark has a longer life thanks to his artificial heart!

## *TOOTSIE AND GANDHI PHONE HOME . . .*

Breaking box-office records, E.T. was the favorite film of most warm-blooded Americans in 1982. This extra-terrestrial with Frank Sinatra's blue eyes touched us all and made "E.T. Phone Home" the overworked phrase of the year. Other movies that inspired cinema fans were: "Gandhi", an epic biography of India's Mahatma, and "Tootsie", featuring Dustin Hoffman portraying the role of a working woman. These movies were all nominated for film of the year. In television, the 3 year Korean War came to an 11 year end as M*A*S*H finished its final season. The last episode, which lasted 2½ hours, was televised on February 28th, 1983. It was the most watched program in the history of television. Another war that kept America up untill 11:00 was WW II as depicted in Herman Wouk's WINDS OF WAR, a miniseries on ABC.

## *MORE THAN JUST A PAIN KILLER . . .*

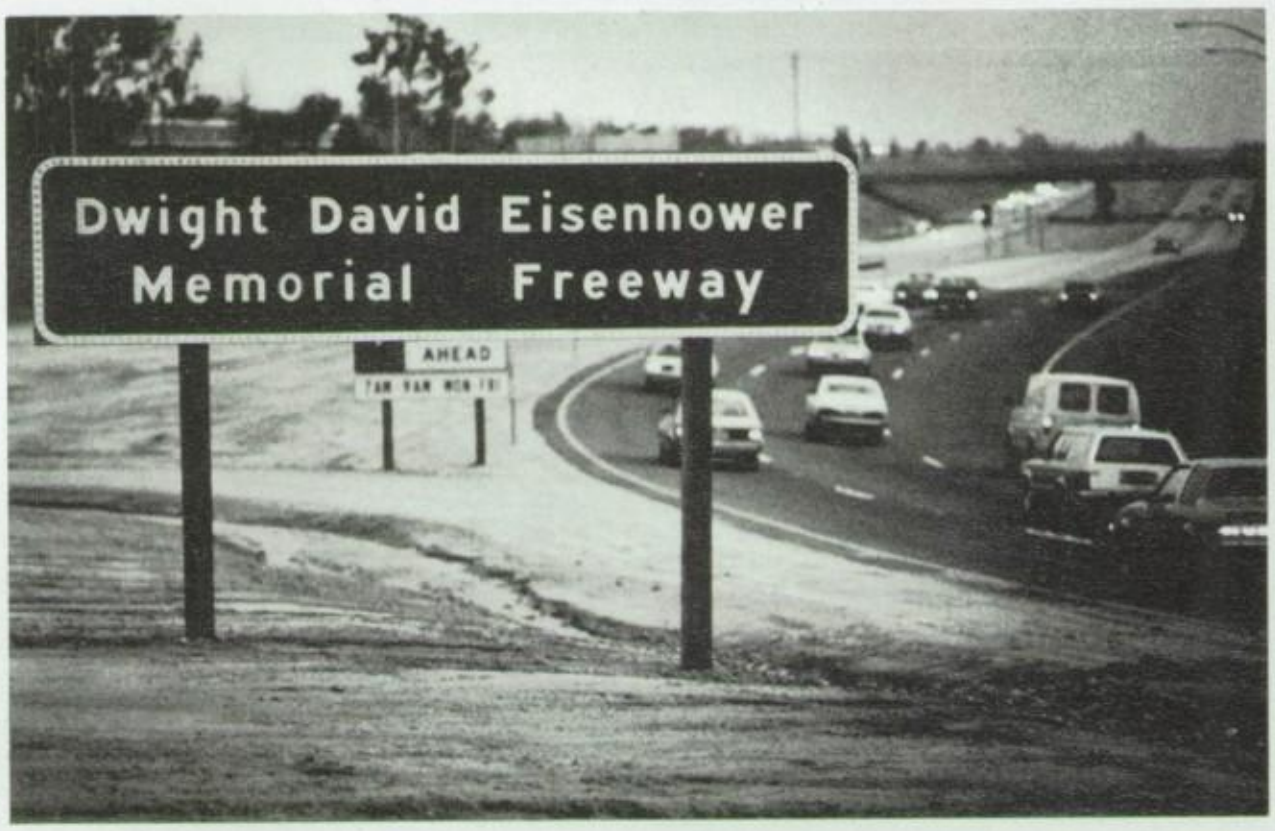
Extra-Strength "headaches" sent 7 Chicago-area residents to their deaths, by cyanide poisoning, which police described as "possible homicides". Police stated that Tylenol capsules had been pried open, laced with cyanide, and repackaged. The culprit was indicted after months of extensive investigation. Following the Tylnol poisoning, various "Copy Cat" tamperings occured across the country, which resulted in limited trick or treating at Halloween for most families who were leary of poisoned candy.

## *THREE STRIKES AND*

All the world fell in love with E.T. a friend from Outer Space.

## *YOU'RE OUT—*

Monday night football was crippled by a 57 day walkout of the NYL association from September 23, to November 15, 1982. When the season finally got under way, there was a general lack of interest, an obvious contrast to last year's enthusiam over San Francisco's victory, even though the 1982 winners received a congratulatory phone call from the President. By the way, the Washington Redskins beat the Miami Dolphins. Locally, Fresno enjoyed a never-to-be-forgotten upset victory over Bowling Green in Cal-Bowl 2. The Bulldogs made a surprising comeback in the 4th quarter, and



Fresnans finally got their freeway-even if it's only 6 miles long.

former Eagle, Vince Wesson made the final touchdown for a 29-28 victory.

## *WHEN IT RAINS IT POURS . . .*

Though other natural resorces dwindled, no one in the U.S. was in need of water. California was battered by continual rains that left many homeless and killed at least 19 people. On March 1, 1983, the already flooded Los Angeles area was visited by a tornado and a minor earthquake which contributed to the statewide chaos. Skiers enjoyed the "Slushy" weather which made the mountains a skier's haven. Even the Queen of England experienced the best and the worst of Mother Nature's whims, as she viewed the majestic Yosemite Valley in its winter splendor, and got caught in the drenching rains during Her March visit to California.

And the rains came, and came, and came, and came .....

Robert Mitchum starred as Capt. Pug Henry in "The Winds of War."

The successful M*A*S*H series finally came to an 11 year end.

# *IS THERE A "DOCTOR" IN THE HOUSE?*

Your yearbook for the 1982-1983 school year is the result of the efforts of a dedicated staff and faculty advisor. I hope this book will help you recall many fond memories and personal friendships. Clovis West has become an outstanding high school through the combined efforts of the student body and staff. I wish the Class Members of 1983 every success in the years ahead.

1. C.W. is proud of their new "doctor" on campus. Dr. Oraze received his Ed. D. in May 1982. 2. Mrs. Gorham-service with a smile.

# *SECOND IN COMMAND*

The Eagles have soared "Up Where We Belong" through the efforts of the staff and students of Clovis West, and I am confident that this edition of the Olympiad will always remind us of the spirit and success of the 1982-83 school year."

# *LET'S HERE IT FOR OUR BOOSTERS*

The Clovis West High School Boosters Club has had a very successful year under the leadership of President Tom Harlan. The Boosters have provided valuable funds that have supported both cocurricular and athletic activities at Clovis West. This year the Boosters purchased $1000 worth of library books for our CW library. Two scholarships were awarded to two deserving seniors and once again the Baccelarreate Reception was hosted by the Boosters' Club. Thirty five pep and cheer team members were sent to spirit camp by the Boosters and the Forensics, Math-Science, and Wrestling Teams' travel expenses were subsidized by the Boosters. The Boosters raise funds by membership fees, the All Clovis Week Barbeque and the Spring Dinner/ Auction and are very proud of the students and staff of the Clovis West family.

BOOSTERS BOARD: Mr. and Mrs. Clenney, Mrs. Ruskofsky, Mr. Graumann, Mrs. Hoffman, Mr. Kaiser, Mrs. Cobb, Mr. Harlan, Mrs. Peden.

# *For David and Donny*

In our lives we experience millions of pleasures. We share these pleasures with one another. We share life with our family, friends, and acquaintances.

Everyday we live, we grow, and share in every dimension. With every passing day our experiences become more a part of us; therefore, when we depart from one another we can actually feel a tangible pain.

David and Donny, we don't always recognize nor take time to appreciate life until it is gone. The times are gone when we at Clovis West will see you score another goal, and the times are gone when we will cheer you for making that touchdown for us. But, the experience and feelings, and most of all the love we shared will live in our spirits. For whenever we cheer, whenever we laugh, and whenever we love, there will always be a part of that, especially from you and for you.

David and Donny we thank you for giving and being so much a part of our lives.

With Love

The Real Spirit of Clovis West
